

# UPDATES & ANNOUNCEMENTS

## Happy Earth Day!

### HBA Home & Garden Show

On March 19th-20th, we had our first booth at the Home Builders Association Saginaw Home & Garden Show at Saginaw Valley State University. This show was an amazing opportunity to get our name out and educate guests about the benefits of using 5Heart Premium Worm Castings!

*A Message from Sarah,  
Owner of 5Heart Earthworm Farm:*

*Thank you to everyone who stopped by our booth at the HBA Saginaw Home & Garden Show. We really enjoyed talking with you about our worm castings and appreciate your interest in our products. We*

hope to connect with you again soon!

## Upcoming Events

Thanks for subscribing to our Event Newsletter! Check out the latest 5Heart events and activities below.

April 30, 2022

### Composting Workshop

Do you want to learn more about the benefits of composting? Looking to start your own compost bin at home, but don't know where to start? Join Amy Freeman, who is a composting professional, at our Composting Workshop to learn everything you need to know about at-home food scrap diversion. Sarah Archer, owner of 5Heart Earthworm Farm, will also be there to show you how to start your own worm bin, what kind of food can go into it, how to harvest the castings, and more!

#### North Concessions Building

Veterans Memorial Park, Bay City, MI 48706  
10:00am - 12:00pm

**\*Please register in advance for this free event to assist us with planning.\***

The registration form can be found [here](#).

August 2022

### *Save the Date:*

### 5Heart Open House

Exciting things are happening at our farm! This August, we will be hosting an open house to show off our expanded operation. Come meet our worms and staff and learn about how we produce our Premium Worm Castings. Look for more event details in future issues!

## Premium Worm Castings for Sale

Looking to give your garden a boost this year? Try *5Heart Premium Worm Castings* and watch your plants thrive!

Our Premium Worm Castings contain organic micronutrients that will benefit and support your soil's natural efficiency. We feed local vegetative food scraps to our earthworms to produce a high-quality fertilizer alternative, perfect for veggie and flower gardens.

Great for indoor plants, too!

\$40 5-gallon bucket  
\$7 quart jar
